Wick

Coming soon!

We no longer rely on candles to keep us out of the dark, but candlelight still fills our lives with light, setting the stage for countless warm dinners and glowing evenings. Wick is a call from our past to our future. It's the opportunity to mindfully light our experiences. Combining the romance of a candle with the utility of a flashlight, Wick is your candle companion, lighting memories and guiding your path.

Scraplights

graypants.com/scraplights

Handcrafted from recycled cardboard, Graypants' flagship Scraplights provide warm, intimate, and functional lighting for any occasion or space. Tough and elegant, each is precision cut with a laser and assembled by hand using non-toxic adhesive, and all Scraplights are treated with a non-toxic fire retardant.

Visit graypants.com for our complete product line.

Roest

graypants.com/roest

The Roest collection bends the norm with its unpretentious simplicity, in which the design has met no equal. Nature's reaction between iron, oxygen, water and time. Designed by VanJoost and hand-made in Holland, Roest presents natural colors in unusual settings.

A new 10 inch (25cm) wall sconce and table lamp are recent additions to the collection, available in brass and stainless steel.

Chrona

graypants.com/chrona

Mimicking the phosphorescent envelope found around stars, Chrona lights create a luminous glow by combining spun brass and diffused acrylic. With a variety of configurations in both horizontal and vertical orientations, Dish pendants can be clustered together to make stunning constellations or individually hung to accentuate any space. Thin, yet robust, the pendants are available in diameters ranging from 6 to 17 inches (14-42cm).
